world, from India and Malaysia to Nigeria and the United States. His findings? Such programs have at best a negligible impact on the groups they are intended to assist.

Affirmative Action around the World |
Hoover Institution

One of the points highlighted by Sowell is

Read Online Affirmative Action Around The World

the fact that affirmative action is implemented based on good ideas, but never on empirical evidence. And, it is because of this that affirmative action (AA) has never proven to be successful anywhere in the world.

Thomas Sowell's study of several affirmative action programs around the world shows how little evidence there is to support these arguments. Sowell mentions numerous affirmative action programs throughout the book, but his primary focus is on the programs developed in five countries: India, Malaysia, Sri Lanka,
