In all six of its volumes The Broadview Anthology of British Literature presents British literature in a truly distinctive light. Fully grounded in sound literary and historical scholarship, the anthology takes a fresh approach to many canonical authors, and includes a wide selection of work by lesser-known writers. The anthology also provides wide-ranging coverage of the worldwide connections of British literature, and it pays attention throughout to issues of race, gender, class, and sexual orientation. It includes comprehensive introductions to each period, providing in each case an overview of the historical and cultural as well as the literary background. It features accessible and engaging headnotes for all authors, extensive explanatory annotations, and an unparalleled number of illustrations and contextual materials. Innovative, authoritative and comprehensive, The Broadview Anthology of British Literature has established itself as a leader in the field. The full anthology comprises six bound volumes, together with an extensive website component; the latter has been edited,

annotated, and designed according to the same high standards as the bound book component of the anthology, and is accessible by using the passcode obtained with the purchase of one or more of the bound volumes. For the second edition of this volume a number of changes have been made. Elizabeth Gaskell ' s " Our Society at Cranford " has been added, as has Anthony Trollope ' s " A Turkish Bath. " Charles Dickens is now represented with a number of short selections. The selection of poems by D.G. Rossetti has been expanded considerably (the entire 1870 House of Life sequence is included), as has that by Michael Field. A selection of poems by two key figures who also appear in the anthology ' s twentieth century volume (Thomas Hardy and W.B. Yeats) is also now included. Several of the Contexts sections in the volume have been expanded—notably " The Place of Women in Society, " which now includes material concerning the Contagious Diseases Acts) and " Britain, Empire, and a Wider World, " which now includes a section on the Great Exhibition of 1851. The volume will also include additional visual material—including four more pages of full color illustrations. Inevitably, some selections have been dropped from the bound book; these will all remain available, however, on the anthology ' s website component. The most significant change in that direction is Dickens ' s A Christmas Carol. As well as remaining available on the website, that work—like Hard Times, Great Expectations, and approximately 100 other titles from the Victorian period, is available as a stand-alone volume in the Broadview Editions series, and may be added (at little or no additional cost to the student) in a shrink-wrapped combination package.

A rich, exquisite and original anthology that illuminates Japanese travel writing over a thousand years 'Oh journey upon journey, my life is a brief moment, and I cannot hope that we will meet again' Roaming over mountains and along perilous shores, this anthology illuminates over a thousand years of Japanese travel writing. It takes in songs, diaries, tales and poetry, and ranges from famous works including *The Pillow Book* and the works of Basho to pieces such as the diary of a young girl who longs to return to the capital and her beloved books, or the writings of travelling monks who sleep on pillows of grass. Together they illuminate a long literary tradition, with intense poetic experience at its heart. Translated and edited with an introduction by Meredith McKinney

Jenny Han meets *The Bachelorette* in this effervescent romantic comedy about a teen Korean American adoptee who unwittingly finds herself at the center of a competition for her heart, as orchestrated by her overbearing, loving family. Jasmine Yap 's life is great. Well, it 's okay. She 's about to move in with her long-time boyfriend, Paul, before starting a nursing program at community college—all of which she mostly wants. But her stable world is turned upside down when she catches Paul cheating. To her giant, overprotective family, Paul 's loss is their golden ticket to showing Jasmine that she deserves much more. The only problem is, Jasmine refuses to meet anyone new. But...what if the family set up a situation where she

wouldn't have to know? A secret Jasmine Project. The plan is simple: use Jasmine's graduation party as an opportunity for her to meet the most eligible teen bachelors in Orlando. There's no pressure for Jasmine to choose anyone, of course, but the family hopes their meticulously curated choices will show Jasmine how she should be treated. And maybe one will win her heart. But with the family fighting for their favorites, bachelors going rogue, and Paul wanting her back, the Jasmine Project may not end in love but total, heartbreaking disaster.
