long years, I've wanted just one thing-to find my sister Rowan. Her disappearance tore a hole in my life. Now I've found her-but she's a captive of the same Rebel Gods who hunt me. They've enchanted her to follow their every whim, which will make rescuing her nearly impossible. But I'll do anything it takes, including infiltrating an ancient Celtic war camp. I'll even join the death fights in their arena. To succeed, I'll need to learn to use my new magic. Thankfully, I have the sexy Celtic war god Cade on my side, along with my friends at the Undercover Protectorate. Thank fates for that, because I'm going to need all the help I can get if I want to survive.

In a world of suppressed magic, I'm an Unknown. Deadly power, little control. I'm only alive because I pay a Blood Sorcerer to keep me hidden. But when he comes to collect on the debt I can't pay, one of his goons slams me with a deadly curse. Suddenly, I'm out of options and out of time. When I'm given a rare chance to join the secretive Undercover Protectorate and train at their academy to become an investigator, I have a way to hunt the cure for the curse. They have resources I don't. Easy, since I'm broke. Seems like a good plan, right? At least, until they tell me Cade will be joining me on my hunt for the Blood Sorcerer. He's an actual Celtic war god--and the hottest guy I've ever seen. The catch? I

can't let him know that I'm an Unknown, or I'm out on my ass and deader than Hades.

I've got one chance to prove myself and earn my place. Against all odds, I've snagged myself a spot at the elite Undercover Protectorate. It's basically a supernatural Scotland Yard, but in a castle. A dream come true. All I have to do is make it through their academy. No big deal. Except that I'm a magical nightmare, a supernatural with a strange brand of unknown dragon magic. When the Undercover Protectorate is attacked by a dark curse, it falls on me to solve the case and save the castle. I have the help of my friends and the sexy Celtic war god Cade. But if I don't figure out what's going on, I'll lose more than my place at the academy. I'll lose my life. Academy of Magic is a fast-paced urban fantasy adventure with a kick-butt heroine, a tough hero, and magic that will blow your socks off.

I thought that losing my magic was the worst thing in the world. I was wrong. Becoming demon touched was far worse. Now, I

We're almost out of time. Magic Side is under attack and the prison has been cursed. If I can't break the spell, my city will be overrun. The problem is, my magic is out of control, and I can't fight this battle alone. There's only one person to turn to-Damian Malek. But my strongest ally might also be my

greatest threat. I've discovered what Damian is, and it's far worse than just being a fallen angel. I don't trust him, and it's too dangerous to be around him. My very soul, and my magic, are at risk. But I have no choice. Only Damian knows the truth of what is really going on, and he'll only share it with me. We've got to bargain with vampires and demons, battle mythical monsters, and expose the lost secrets of a ruined temple before time runs out. Will he help me save the city I love, or is it a trap to take everything I hold dear? An action-packed urban fantasy, Cursed Angel features a rebel heroine, a dark angel hero, and slow burn romance. Prepare yourself for edge-of-your-seat adventure amongst ancient ruins and mythical places. If you enjoyed the archaeology, history, and daring in Linsey Hall's original Dragon's Gift books, this adventure is for you!

I am a DragonGod. Finally, I know what I am.

A DragonGod. I've been gifted with the magic of the Viking gods. Except my new powers are devouring each other. If I don't fix this soon, I'll have no magic left--and no magic means no soul. To save myself, I must go on a quest through the realms of the Viking gods. It'll be the most dangerous adventure of my life, taking me past monsters and deadly worlds. Fortunately, the Celtic war god Cade is at my side, along with my friends and allies. Things get even more dangerous when I learn that I must destroy the Rebel Gods' stronghold to keep my magic. If I don't succeed, I'll become a walking husk of a DragonGod, wishing only for death. So I guess it it looks like the fun is about to start.

In a post-virus New World, authentic humans are a hot commodity. And The Society rules. Neeman has tried everything to overcome the pain of both heartbreak and being forcibly turned into a vampyr. When he meets the headstrong Selene in a nightclub, she could be the change he needs. Her beautiful human-like features stand out among the vamps, and he has no choice but to bring her back to his Tracking Squad's compound before she gets herself killed. Charged with stopping a demon invasion, Selene has been sent back to the Earth Realm by the Fae. But en route, she loses the talisman that can keep her darker nature, and her impulses, under control. With Vampires now ruling Earth there are more vices than ever to distract her from her

mission. Especially Neeman, whose hard body and piercing gaze awakens a primal desire within her. He's the only one who can protect her from The Society, and from even darker forces on the horizon...but he can't protect her from himself.

Another Dragon Fantasy for everyone who fell in love with the Dragon Lore Series. Bloated on chaos, the Morrigan leaves the Scottish Highlands to gather power. A trip through Hell yields quite the assortment of allies tagging along behind her. Fell creatures straight out of myth and nightmare that haven't darkened Earth's boundaries for centuries heed her call. Heartily sick of the Morrigan's maneuvering, the dragons are close to shutting their world off from everywhere, Earth included. If they do, every dragon shifter bond will be broken. Horrified, Lachlan and Britta launch a desperate campaign to hang onto their dragons. Magic may bite back, but if the dragons take their magic ball and go home, Earth will fade, along with all other worlds. That suits the Morrigan fine. War and anarchy are her favorite companions, and she collects misery like children gather beloved toys. Arianrhod's fellow Celts found out about her fall from grace and her half-Druid son, Jonathan. With nothing further to hide, she goes back in time hunting Angus, Jonathan's father. Forty years apart was a steep price to pay. The world needs Angus's magic. And

Jonathan needs all the help he can get. Late to accept the power thrumming through him, he holds a key role in keeping the world from spinning off its axis. Reluctant at first, Jonathan finally gets it. Absolute focus. Absolute commitment. Anything less and everyone he loves will pay an unthinkable price.
