Listen Free to Believer: My Forty Years in Politics by ...

I want to begin my review of David Axelrod's autobiography, "Believer: My 40 Years in Politics" by stating the obvious. His book is political; Axelrod is a life-long Democrat who has worked as a campaign consultant for Democratic candidates since volunteering for John Kennedy's presidential campaign in 1960, when he was all of five years old.

warm partnership that inspired both men. As senior adviser to the president, Axelrod served during one of the most challenging periods in national history and worked at Obama's side as he battled an economic disaster, navigated America through two wars, and fought to reform health care, the financial sector and the grid-locked political institutions. This is a powerful and inspiring memoir filled with charm and candour from one of the best political strategists in recent history.

New York Times Book Review "A stout defense--indeed, the best I have read--of the Obama years." A New York Times Bestseller David Axelrod has always been a believer. Whether as a young journalist investigating city corruption, a campaign consultant guiding underdog candidates against entrenched orthodoxy, or as senior adviser to the president during one of the worst crises in American history, Axelrod held fast to his faith in the power of stories to unite diverse communities and ignite transformative political change. Now this legendary strategist, the mastermind behind Barack Obama's historic election campaigns, shares a wealth of stories from his forty-year journey through the inner workings of American democracy. Believer is the tale of a political life well lived, of a man who never gave up on the deepest promises our country has to offer. Believer reveals the roots of

File Type PDF Believer My Forty Years In Politics David Axelrod

Axelrod's devotion to politics and his faith in democratic change. As a child of the '60s in New York City, Axelrod worked his first campaigns during a tumultuous decade that began with soaring optimism and ended in violence and chaos. As a young newspaperman in Chicago during the 1970s and '80s, Axelrod witnessed another world transformed when he reported on the dissolution of the last of the big city political machines—Richard Daley, Dan Rostenkowski, and Harold Washington—along with the emergence of a dynamic black independent movement that ultimately made Obama's ascent possible. After cutting his teeth in the rollicking world of Chicago journalism, Axelrod switched careers to become a political strategist. His unorthodox tactics during his first campaign helped him get Paul Simon unexpectedly elected to the Senate, and soon Axelrod's counsel was sought by the greatest lights of the Democratic Party. Working for path breakers like Hillary Clinton, Deval Patrick, and Rahm Emanuel—and morally conflicted characters like Rod Blagojevich and John Edwards—Axelrod, for better and worse, redefined the techniques by which modern political campaigns are run. The heart of Believer is Axelrod's twenty-year friendship with Barack Obama, a warm partnership that inspired both men even as it propelled each to great heights. Taking a chance on an unlikely candidate for the U.S. Senate, Axelrod ultimately collaborated closely with

File Type PDF Believer My Forty Years In Politics David Axelrod

Obama on his political campaigns, and served as the invaluable strategist who contributed to the tremendous victories of 2008 and 2012. Switching careers again, Axelrod served as senior adviser to the president during one of the most challenging periods in national history: working at Obama's side as he battled an economic disaster; navigated America through two wars; and fought to reform health care, the financial sector, and our gridlocked political institutions. In *Believer*, Axelrod offers a deeper and richer profile of this extraordinary figure—who in just four years vaulted from the Illinois State Senate to the Oval Office—from the perspective of one who was at his side every step of the way. Spanning forty years that include corruption and transformation, turmoil and progress, *Believer* takes readers behind the closed doors of politics even as it offers a thrilling call to democratic action. Axelrod's *Believer* is a powerful and inspiring memoir enlivened by the charm and candor of one of the greatest political strategists in recent American history. DORIS KEARNS GOODWIN, author of *The Bully Pulpit* and *Team of Rivals* "Beautifully written with warmth, humor, and remarkable self-awareness, *Believer* is one of the finest political memoirs I have ever read."

Believer: My Forty Years in Politics by David Axelrod | A 15-minute Summary & Analysis

Preview: David Axelrod was the son of Joseph

File Type PDF Believer My Forty Years In Politics David Axelrod

Axelrod, who left Eastern Europe at the age of eleven, and his wife, Myril Davidson, also a daughter of Jewish immigrants. Joseph became a psychologist with a small practice that insisted on charging patients a minimal fee. He also occasionally administered psychological tests at settlement houses. Myril, on the other hand, rose to the top on Madison Avenue as an advertising executive. Their marriage ended by the time Axelrod was eight. David Axelrod was five years old when he became fascinated by politics after seeing John F. Kennedy at a 1960 presidential campaign rally in New York. Despite JFK's assassination, young Axelrod continued to believe in the power of politics to effect change. He became a youth volunteer for Robert Kennedy's 1964 Senate campaign and, later, his 1968 presidential campaign. Axelrod attended the University of Chicago. He was drawn to the city by... Believer: My Forty Years in Politics by David Axelrod

A NEW YORK TIMES BESTSELLER An Esquire Best Book of 2017 Remember when presidents spoke in complete sentences instead of in unhinged tweets? Former Obama speechwriter David Litt does. In his comic, coming-of-age memoir, he takes us back to the Obama years - and charts a path forward in the age of Trump. More than any other presidency, Barack Obama's eight years in the White House were defined by young people - twenty-somethings who didn't have much experience in politics (or anything else, for that matter), yet suddenly found themselves in the most high-stakes office building on earth. David Litt was one of those twenty-somethings. After graduating from college in 2008, he went straight to the Obama campaign. In 2011, he became one of the youngest White House speechwriters in history. Until leaving the White House in 2016, he wrote on topics from healthcare to climate change to criminal justice reform. As President Obama's go-to comedy writer, he also took the lead on the White House Correspondents' Dinner, the so-called "State of the Union of jokes." Now, in this refreshingly honest memoir, Litt brings us inside Obamaworld. With a humorists' eye for detail, he describes what it's like to

File Type PDF Believer My Forty Years In Politics David Axelrod

accidentally trigger an international incident or nearly set a president's hair aflame. He answers questions you never knew you had: Which White House men's room is the classiest? What do you do when the commander in chief gets your name wrong? Where should you never, under any circumstances, change clothes on Air Force One? With nearly a decade of stories to tell, Litt makes clear that politics is completely, hopelessly absurd. But it's also important. For all the moments of chaos, frustration, and yes, disillusionment, Litt remains a believer in the words that first drew him to the Obama campaign: "People who love this country can change it." In telling his own story, Litt sheds fresh light on his former boss's legacy. And he argues that, despite the current political climate, the politics championed by Barack Obama will outlive the presidency of Donald Trump. Full of hilarious stories and told in a truly original voice, Thanks, Obama is an exciting debut about what it means - personally, professionally, and politically - to grow up.

New York Times bestseller! If your funny older sister were the former deputy chief of staff to President Barack Obama, her behind-the-scenes political memoir would look something like this... Alyssa Mastromonaco worked for Barack Obama for almost a decade, and long before his run for president. From the then-senator's early days in Congress to

File Type PDF Believer My Forty Years In Politics David Axelrod

his years in the Oval Office, she made Hope and Change happen through blood, sweat, tears, and lots of briefing binders. But for every historic occasion-meeting the queen at Buckingham Palace, bursting in on secret climate talks, or nailing a campaign speech in a hailstorm-there were dozens of less-than-perfect moments when it was up to Alyssa to save the day. Like the time she learned the hard way that there aren't nearly enough bathrooms at the Vatican. Full of hilarious, never-before-told stories, WHO THOUGHT THIS WAS A GOOD IDEA? is an intimate portrait of a president, a book about how to get stuff done, and the story of how one woman challenged, again and again, what a "White House official" is supposed to look like. Here Alyssa shares the strategies that made her successful in politics and beyond, including the importance of confidence, the value of not being a jerk, and why ultimately everything comes down to hard work (and always carrying a spare tampon). Told in a smart, original voice and topped off with a couple of really good cat stories, WHO THOUGHT THIS WAS A GOOD IDEA? is a promising debut from a savvy political star.

INSTANT BESTSELLER "Jack Carr and his alter-ego protagonist, James Reece, continue to blow me away." -Mark Greaney, #1 New York Times bestselling author of Mission Critical In acclaimed author Jack Carr's follow-up to The Terminal List, former Navy SEAL James

File Type PDF Believer My Forty Years In Politics David Axelrod

Reece's skill, cunning, and heroism put the US government back in his debt and set him on another path of revenge. When a string of horrific terrorist attacks plagues the Western world during the holiday season, the broader markets fall into a tailspin. The attacks are being coordinated by a shadowy former Iraqi commando who has disappeared into Europe's underground. The United States government has an asset who can turn the Iraqi against his masters: James Reece, the most-wanted domestic terrorist alive. After avenging the deaths of his family and team members, Reece emerges deep in the wilds of Mozambique, protected by the family of his estranged best friend and former SEAL Team member. When a series of events uncovers his whereabouts, the CIA recruits him, using a Presidential pardon for Reece and immunity for the friends who helped him in his mission of vengeance. Now a reluctant tool of the United States government, Reece travels the globe, targeting terrorist leaders, unraveling a geopolitical conspiracy that exposes a traitorous CIA officer, and uncovering a sinister assassination plot with worldwide repercussions. A high-intensity roller-coaster race against time, True Believer is "one of this year's hottest thrillers, and a perfect fit for fans of Vince Flynn, Brad Thor, and Daniel Silva" (The Real Book Spy).

Part love story and part ghost story, this is

File Type PDF Believer My Forty Years In Politics David Axelrod

an unforgettable New York Times bestseller about a science journalist and a North Carolina librarian who dare to believe in the impossible. As a science journalist with a regular column in Scientific American, Jeremy Marsh specializes in debunking the supernatural-until he falls in love with the granddaughter of the town psychic. When Jeremy receives a letter from Boone Creek, North Carolina, about ghostly lights appearing in a cemetery, he can't resist driving down to investigate. Here, in this tightly knit community, Lexie Darnell runs the town's library. Disappointed by past relationships, she is sure of one thing: her future is in Boone Creek, close to all the people she loves. From the moment Jeremy sets eyes on Lexie, he is intrigued. And Lexie, while hesitating to trust this outsider, finds herself thinking of him more than she cares to admit. Now, if they are to be together, Jeremy must do something he's never done before-take a giant leap of faith. From #1 New York Times bestselling author Nicholas Sparks comes a love story about taking chances and following your heart. True Believer will make you believe in the miracle of love.

A leading expert in evangelism and discipleship shares thirty-one life-changing truths he wishes he'd learned when he first became a believer.
