Written by authors with an extensive track record in teaching business, the Europe, Middle East and Africa Edition of this bestselling volume features an up-to-date and comprehensive survey of the functional areas of business, including management, human resources, marketing, accounting, finance and investment. Brimming with real examples that address ethics and social responsibility, sustainable practice, small business and entrepreneurship, global issues, and the increasing role of social media, this landmark text provides an engaging and authoritative introduction to business.

Business allows students to use a “learn by doing” approach, creating an environment that not only helps them to better retain concepts, but also helps them get that hands-on business decision-making practice they need for the real-world! Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

4LTR Press solutions give students the option to choose the format that best suits their learning preferences. This option is perfect for those students who focus on the textbook as their main course resource. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This best-selling introductory survey text provides comprehensive coverage of all functional areas within the field including management, marketing, accounting, economics, finance, law, and computer information systems. The Seventh Edition integrates an appealing design, innovative features, and extensive revisions to remain both accessible and relevant. Topical issues such as entrepreneurship, gender and diversity, change, social responsibility, and the growth of technology are included throughout to prepare students for today's business environment. The pedagogical framework continually reinforces the material, and places abstract concepts into a practical context. The combination of chapter-opening cases involving well-known companies, end-of-chapter discussions which reference these cases, Spotlights that provide a visual "snapshot" of factual data, and actual advertisements allows students to understand the material's real-world application. To maintain the length of past editions, sections addressing Risk Management and Insurance have been moved to the appendix, while the appendices on law and government have been merged together. The inexpensive, flexible looseleaf format allows students to organize the material according to their individual needs
