MORAL ISSUES IN BUSINESS. 13E examines the moral dilemmas that are common to today's business climate and gives readers the analytical tools to resolve those issues. Using a combination of true stories, interesting reading selections, and a conversational writing style, this edition prepares readers for the moral quandaries awaiting them in the professional world. Featured topics include: the nature of morality, individual integrity and responsibility, economic justice, pitfalls of capitalism, and corporations' responsibilities to consumers and the environment. Plus, this edition also discusses situation-specific concepts such as downsizing, whistle blowing, sexual harassment, job discrimination, animal abuse, and drug testing. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Combining engaging discussions and stimulating new case studies, BUSINESS ETHICS: A TEXTBOOK WITH CASES gives students a comprehensive survey of business ethics that will guide them toward becoming ethical professionals, even if they have never studied philosophy before. Rich with real-world examples, BUSINESS ETHICS: A TEXTBOOK WITH CASES invites students to critically analyze and apply a broad range of philosophical concepts and principles to today's most important issues in business and beyond. BUSINESS ETHICS: A TEXTBOOK WITH CASES is a concise (without readings) and updated version of the eleventh edition of MORAL ISSUES IN BUSINESS. BUSINESS ETHICS: A TEXTBOOK WITH CASES is also available in an eBook format. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

SOCIAL AND PERSONAL ETHICS provides students with a sound introduction to ethical theory and contemporary moral issues through engaging readings on today's most hotly debated topics. Among other topics, coverage includes environmental ethics and animal rights, the limits of personal liberty, war and the struggle against terrorism, marriage and sexual morality, the death penalty, gun control, and abortion and euthanasia. The volume begins with two introductory essays written for beginning students by the editor, William H. Shaw, on the nature of morality and competing normative theories. These are followed by five other essays on ethical theory by classical and contemporary authors. The book's next 12 sections explore a wide-range of real-world ethical issues. In all, the book is composed of 53 articles (11 of which are new to this edition). To ensure that the text is as accessible as it is relevant, Shaw has edited every article with an eye toward readability, provided introductions and study questions before the essays, as well as review and discussion questions after them, and highlighted key passages to help students focus on important points and concepts.

The definitive and authoritative international law text, updated to reflect key case law, international practice and treaty developments.

How can you be an ethical corporate citizen in an increasingly complex, multiple-stakeholder world? This is the most pressing question facing businesses today, small and large, local and global. Business Ethics is a thorough yet accessible exploration of the main ethical theories and how these apply to the major stakeholders facing this question. Written from a truly international perspective and supported by diverse and innovative learning features, this book provides the tools and concepts necessary to understand and effectively manage ethical challenges wherever you are in the world. 'Key Concepts' and 'Think Theory' boxes ensure the essential ideas are straightforward to grasp but don't go unchallenged, while 'Ethics in Action' boxes and Case Studies illustrate these ideas at play in the working world. Step into the shoes of a decision-maker with 'Ethical Dilemma' boxes and hear from them first hand with new 'Practitioner Spotlight' boxes, which feature fascinating insights from real-life practitioners on how they manage ethical decisions and what skills they consider to be crucial to success. The fourth edition offers a wealth of new cases and examples as well as updates of favourites from previous editions, including features on AirBnB, TOMS, and McDonalds. Bespoke video interviews with the practitioners from the book and new multiple-choice questions enhance the online resources for students, while workshop and flipped classroom activity ideas support lecturers. In addition, content has been thoroughly updated across the book and online to reflect the latest developments and issues surrounding corporate citizenship, globalization, and sustainability. Award-winning, best-selling, and up-to-date; this is the textbook of choice for those wishing to excel in business ethics. The book is supported by an extensive range of online resources: For students: Practitioner Spotlight videos and web links Additional Case Study web links Additional Ethics in Action web links Addition Ethics on Screen web links Think Theory responses Film list Ethics career guide Further reading Multiple-choice questions For lecturers: VLE content PowerPoint slides Test bank Case bank Sample course outline Teaching notes for Case Studies Teaching notes for Ethical Dilemmas Teaching notes for Ethics in Action features Teaching notes for Ethics on Screen features Ideas for structured workshops

This book provides readers with a clear, straightforward writing style, an abundance of examples, detailed real-life cases, and current data and statistics. It aims to 1) introduce ethical concepts that are relevant to resolving moral issues in business, 2) develop the reasoning and analytical skills needed to apply ethical concepts to business decisions, 3) identify the moral issues involved in the management of specific problem areas in business, and 4) examine the social and natural environments within which moral issues in business arise. Chapter topics cover ethics and business, ethical principles in business, the business system, ethics in the marketplace, ethics and the environment, the ethics of consumer production and marketing, the ethics of job discrimination, and the individual in the organization. For anyone in business.

Business ethics, corporate social responsibility, corporate citizenship, values-driven management, corporate governance, and ethical leadership are necessary horizons for the legitimacy of corporations in the process of globalization. Based on hermeneutics and institutional analysis, this book discusses the place of values in corporations and the role of ethics in management. With the theories of business ethics as a starting point, it is possible to propose a vision of the good citizen corporation. The book presents theories, concepts of responsibility for stakeholder justice, and basic ethical principles of respect for autonomy, dignity, integrity, and vulnerability. This is the foundation for an analysis of the ethical relations to internal and external constituencies of the firm, i.e. shareholders, owners, investors, management, employees, consumers, and local community. The interaction with the environment is further analyzed with a focus on ethical principles as the basis for sustainability. This investigation culminates with the conceptualization of the firm as a collective and institutional moral agent. The content also includes analysis of concrete political developments in the US, Europe, and the United Nations. Finally, the book provides a framework for a new corporate strategy based on global business ethics.

BUSINESS AND SOCIETY employs a stakeholder management framework. This framework emphasizes a business's social, legal, political, andethical responsibilities to both external and internal groups that have a stake, or interest, in that business. It is a fundamental goal of the course that students really get that responsible business decision makers strive to balance and protect the interests of various stakeholders-investors, employees, community, environment, etc. An emphasis is also placed on the fact that one needs to understand that business situations will continually arise that will truly test ones values and ethics. BUSINESS AND SOCIETY not only exposes students to diverse and important stakeholder and ethical frameworks for considering and protecting stakeholder interests, through its use of cases andanother real-world applications, this text enhances the precision with which students think about and practice ethical decision making.Opportunities to apply stakeholder and ethical systems to specific business problems abound, and questions are provided with all cases andapplications to focus student reasoning, ensuring excellent preparation for class discussions.

The Business Ethics Workshop by James Brusseau focuses on reality and engagement. Students respond to examples and contemporary cases that touch on their own anxieties, desires and aspirations, and this textbook drives that without sacrificing intellectual gravity. It incites student interest and gets to the core of ethical issues.
