Contested Paternity: Constructing Families in Modern

...

In a fascinating narrative, Fuchs painstakingly recounts the detail of long-term and only too slowly evolving changes in practices and attitudes of men and women, politicians and magistrates, contesting parents and sometimes adult children, towards paternity, showing how central it was considered in the past both for the public interest and for individuals the most intimate details of whose lives were exposed in court in the name of family honour

Contested Paternity: Constructing Families in Modern

...

At the center of her study are contested definitions of paternity and those who fell outside the confines of the traditional family in legislative and legal debates. Through an analysis primarily of court cases and legislative debates, she illuminates changing attitudes toward parental responsibility, the family, the rights of children, and female agency from the end of the eighteenth century to the present.
