Early modern rogue literature presents historians with a puzzle. From the 1590s onwards, a steady flow of cheap pamphlets rolled off London printing presses to inform their audience about the innumerable scams, frauds, deceptions and confidence tricks practised by devious criminal tricksters: rogues.

Rogery in Print: Crime and Culture in Early Modern London
In Crime and Culture in Early Modern Germany Joy Wiltenburg explores the beginnings of crime sensationalism from the early sixteenth century into the seventeenth century and beyond. Comparing the depictions of crime in popular publications with those in archival records, legal discourse, and imaginative literature, Wiltenburg highlights key social anxieties and analyzes how crime texts worked to shape public perceptions and mentalities.

Crime and Culture in Early Modern Germany on JSTOR
Crime and Culture in Early Modern Germany is based primarily on a sample of more than two hundred printed crime accounts, usually in the form of broadsheets and pamphlets, which Wiltenburg analyses alongside supporting archival sources, works of fiction and legal texts. She suggests that her sample is broadly representative of the surviving sources, which can only be a small fraction of those originally produced.

Crime and Culture in Early Modern Germany by Joy Wiltenburg
In Crime and Culture in Early Modern Germany, Joy Wiltenburg reads the remnants of sixteenth- and seventeenth-century sensationalist crime literature against its social and legal background, offering a nuanced analysis of the broad spectrum of cultural grappings with crime from the high legalism of the Constitutio Carolina Criminalis (1532) to the hackneyed rhymes of street ballads. The result is a wonderful synthesis, a solid and subtle overview of the social and legal history of crime in ...

The growing importance acquired by culture in the criminal law domain went hand in hand with the attention received by it both in the human rights field (especially linked to minority rights) and in the field of sociological and criminological theories. Nowadays, crimes such as female genital mutilation, forced marriages, and other behaviors grounded in "culture or tradition" form the object of several international human rights instruments and media reports.

Project MUSE - Crime and Culture in Early Modern Germany
According to the IAT, there are four fundamental cultural values responsible for elevated rates of crime: achievement, individualism, monetary fetishism, and universalism. Achievement is determined by how the culture views success and how it judges the value or the status of an individual; in America this is based on our individual accomplishments. A high focus on personal achievement, paired with limited available options to achieve, leads to an anomic lifestyle, in which the ethical ...
