reappearance of her first love, Alex, the boy she thought was dead. Named an Amazon Best Book of the Year, this sophisticated and wide-ranging novel brings the New York Times bestselling Delirium trilogy to a thrilling conclusion. Now an active member of the resistance, Lena has transformed. The nascent rebellion that was underway in Pandemonium has ignited into an all-out revolution in Requiem, and Lena is at the center of the fight. After rescuing Julian from a death sentence, Lena and her friends fled to the Wilds. But the Wilds are no longer a safe haven. Pockets of rebellion have opened throughout the country, and the government cannot deny the existence of Invalids. Regulators infiltrate the borderlands to stamp out the rebels. As Lena navigates the increasingly dangerous terrain of the

Wilds, her best friend, Hana, lives a safe, loveless life in Portland as the fiancée of the young mayor. Requiem is told from both Lena and Hana's points of view. They live side by side in a world that divides them until, at last, their stories converge.

Ninety-five days, and then I'll be safe. I wonder whether the procedure will hurt. I want to get it over with. It's hard to be patient. It's hard not to be afraid while I'm still uncured, though so far the deliria hasn't touched me yet. Still, I worry. They say that in the old days, love drove people to madness. The deadliest of all deadly things: It kills you both when you have it and when you don't. Lauren Oliver astonished readers with her stunning debut, *Before I Fall*. In a starred review,

in Lena's past. Until now. Discover her secrets in Lauren Oliver's brilliant original digital story set in the world of New York Times bestsellers *Delirium* and *Pandemonium*. Lena Halloway's mother, Annabel, supposedly committed suicide when Lena was only six years old. That's the lie that Lena grew up believing, but the truth is very different. As a rebellious teenager, Annabel ran away from home and straight into the man she knew she was destined to marry. The world was different then—the regulations not as stringent, the cure only a decade old. Fast forward to the present, and Annabel is consigned to a dirty prison cell, where she nurtures her hope of escape and scratches one word over and over into the walls: Love. But Annabel, like Lena, is a fighter. Through chapters that alternate between

her past and present, Annabel reveals the story behind her failed cures, her marriage, the births of her children, her imprisonment, and, ultimately, her daring escape.

These four short stories are now available in one beautiful paperback edition and include an exclusive sneak peek at Lauren Oliver's brand new novel *Replica* - coming soon! All the stories expand upon and enrich the *Delirium* world, illuminating events and characters through different perspectives. *HANA* adds nuance to the life-changing summer before best friends Lena and Hana are to be cured - a moment when the girls' paths diverge and their futures are altered forever. *ANNABEL* untangles the mysteries surrounding Lena's mother, detailing her journey from

teenage runaway to prisoner of the state. RAVEN crackles with the intensity of its title character, the fierce leader of a rebel group in the Wilds who plays an integral role in the resistance. And ALEX explains what happened to Lena's first love after the events of DELIRIUM, as well as the dark past that he has tried to forget.

From award-winning novelist Argentine Betina González comes a dizzying, luminous English-language debut about an American town overrun by a mysterious hallucinogen and the collision of three unexpected characters through the mayhem. In a small Midwestern city, the deer population starts attacking people. So Beryl, a feisty senior and ex-hippie with a troubled past, decides to take matters into her own

hands, training a squad of fellow retirees to hunt the animals down and to prove to society they ' re capable of more than playing bingo. At the same time, a group of protesters decides to abandon the “ system ” and live in the woods, leaving behind the demands of modern life—including their children. Nine-year-old Berenice never thought her mother would join the dropouts, but she ' s been gone for several days, leaving only a few clues about her past for Berenice to piece together. Vik, a taxidermist at the natural history museum and an immigrant from the Caribbean, is beginning to see the connections among the dropouts, the deer, and the discord. He ' s not normally the type to speak up, but when he finds a woman living in his closet, he ' s forced to get involved. Each of these engrossing characters holds a key to

the city ' s unraveling—despite living on the margins of society—and just as their lives start to spin out of control, they rescue one another in surprising ways.

This collection contains the complete text of the three bestselling Delirium novels plus three short novellas about characters in the Delirium world. Lauren Oliver's powerful New York Times bestselling dystopian trilogy presents a world as terrifying as George Orwell's 1984 and a romance as true as Romeo & Juliet. *Delirium*: In a dystopian world where love is declared the deadliest of all diseases, one's only hope is to be cured. Lena is 95 days away from getting her cure when she does the unthinkable. She falls in love. *Pandemonium*: The explosive second book of the Delirium

trilogy brings us a new Lena: strong, fierce, and defiant. But the chaos of a loveless world will lead her into the fight of her life. Requiem: This exciting finale to Lauren Oliver's New York Times bestselling Delirium trilogy is a riveting blend of nonstop action and forbidden romance in a dystopian United States. The Hana, Annabel, and Raven novellas each center around a fascinating and complex character who adds important information to the series and gives it greater depth.

This book provides a comprehensive, scholarly, and practical account of delirium that will be of value for all doctors and nurses involved in the care of the elderly. It not only offers a state of the art update on delirium, covering its history,

epidemiology, pathophysiology, assessment, diagnosis, causes, prevention, and management, but also presents evidence-based and practical information relevant to daily clinical routine. Owing to the complex multifactorial causes of delirium, different aspects of delirium in the elderly are discussed from a variety of perspectives. The book closes by presenting a series of case vignettes, delirium assessment tools and screening scales, and a list of those drugs highly associated with delirium. Delirium is a cognitive disorder characterized by deficits in attention, arousal, consciousness, memory, orientation, perception, speech, and language. It is a common and serious problem among older persons at every healthcare interface. Although it occurs in 10–60% of the older hospitalized population, delirium remains a relatively

misunderstood and misdiagnosed condition. This book will be of interest to professionals working in geriatrics, geriatric psychiatry, general psychiatry, or neurology, internists, intensive care unit specialists, and all who care for the elderly in hospitals or the community.

This captivating 50-page digital-original story set in the world of Lauren Oliver's New York Times bestselling Delirium series focuses on Raven, the fiery leader of a rebel group in the Wilds. As a teenager, Raven made the split-second decision to flee across the border to the Wilds, compelled to save an abandoned newborn—a baby girl left for dead and already blue from the cold. When she and the baby are taken in by a band of rebels, Raven finds herself an

outsider within a tight-knit group. The only other newcomer is an untrustworthy boy known as the Thief until he finally earns himself a new name: Tack. Now she and Tack are inseparable, committed to each other, the fledgling rebellion, and a future together. But as they both take center stage in the fight, Raven must decide whether the dangers of the revolution are worth risking her dreams of a peaceful life with Tack. As her story hurtles back and forth between past and present, Raven transforms from a scared girl newly arrived in the Wilds to the tough leader who helps Lena save former Deliria-Free poster boy Julian Fineman from a death sentence. Whatever the original mission may have been, Raven abides by a conviction that she believes to her core: You always return for the people you love. By turns
