Mughal emperors governed their vast empire with the help of nawabs - a title they bestowed on the semi-autonomous Muslim rulers of India. Over a period of time these nawabs became powerful rulers in their own right and created a distinct culture of their own, with food being one of its most everlasting legacies. Heavily influenced by Mughal staples and cookery techniques, the nawabs refined their cuisine by adopting local flavours, from the refined palates that dominate the table at Rampur and Avadh to the incredible array of delicacies from the kitchens of Bahawalpur and Khairpur, now in Pakistan. For the first time, Dining with the Nawabs allows you a rare opportunity to visit the tables and palaces of these families, to learn more about their lifestyles and their love affair with gourmet cuisine. This special edition also comes with a 'Kitchen Copy', containing some of their most beloved family recipes that you can recreate in your own homes. The families featured in this book continue to be the proud custodians of this culinary legacy. They share recipes which have been passed down for hundreds of years within the confines of the royal kitchen. In these recipes and stories, which depict food as the epicenter of traditions and customs, the larger story of an ancient philosophy and a way of life is revealed. Today,

Indian food all over the world is synonymous with Mughalia and Nawabi cuisine. Biryani, pulao, kebab, korma, kofta, dumpukht and other dishes of the time have all made their way from a shahi dastarkhwan into every home. The families featured here each have their own signature version of these dishes; much like the flower which grows in different soils and emanates a different fragrance, these meals are at once part of a shared heritage and strikingly unique.

Glorious Hotels of India is a luxury illustrated book featuring a hand-picked collection of the subcontinent's most spectacular places to stay. It gives a grand yet intimate tour of 40 properties, with half of the properties being recent openings. The majority have never been featured before in a publication of this kind. Celebrating India's splendid heritage while showcasing exciting contemporary design, each subject is captured like a jewel in a box with panoramic detail and portrait shots. Properties include historic palaces, destination spas, seductive beach resorts and romantic houseboats. With insightful and meticulously researched material, Glorious Hotels of India is a fresh, dynamic and informed book that captures the zeitgeist of various parts of India and avoids the clichéd.

of the original handwritten Persian recipe book Nuskha-e-Shahjahani from the Mughal emperor Shah Jahan's time. A culinary journey into the Mughal imperial kitchen, where food was cooked with just the right amount of spices to enhance the base flavors of the dishes, this book is divided into seven sections and includes a plethora of recipes, ranging from the familiar shami kabab and baqlawa to the more exotic amba pulao (tangy mango lamb rice) and indersa (sweet, deep-fried rice-flour balls). The book also provides helpful tips for cooking, including methods to clean fish and soften bones, throwing light on the creativity of the Mughal cooks. An informative introduction offers an intriguing glimpse into the royal lifestyle of one of India's greatest empires. This book effortlessly recaptures the nostalgia of Mughal times while remaining a practical guide for the modern reader.

The soybean is a crop of global importance and is one of most frequently cultivated crops worldwide. It is rich in oil and protein, used for human and animal consumption as well as for industrial purposes. Soybean plants also play an important role in crop diversification and benefit the growth of other crops, adding nitrogen to the soil during crop rotation. With contributions from eminent researchers from around the world, The Soybean provides a concise coverage of all aspects of this important crop, including genetics and physiology, varietal improvement, production and protection technology, utilization and nutritional value.
