For over thirty years,  
Colin Drury has been at  
the forefront of helping  
students learn the key  
concepts and processes  
in management and cost  
accounting through his  
textbooks. Now in its

tenth edition,  
Management and Cost  
Accounting has been the  
leading textbook in the  
field for three decades,  
and continues to blend  
theory and practice in  
language that is clear  
and accessible. As well  
as covering everything  
students need to know  
for management  
accounting and cost  
accounting modules on

undergraduate courses,  
or postgraduate students  
studying these topics for  
the first time, this book  
will also help prepare  
those taking the  
professional accounting  
bodies' management and  
cost accounting  
examinations. The new  
edition has been  
completely updated to  
reflect recent  
developments in the
