With full coverage, plenty of screen shots, and expert tips and tricks, Teach Yourself VISUALLY Apple Watch is the companion you cannot be without.

This book constitutes the refereed proceedings of the 16th International Conference on Entertainment Computing, ICEC 2017, held in Tsukuba City, Japan, in September 2017. The 16 full papers, 13 short papers, and 2 posters presented were carefully reviewed and selected from 46 submissions.

In today's wireless environment, marketing is more frequently occurring at the server-to-device level-with that device being anything from a laptop or phone to a TV or car. In this real-time digital marketplace, human attributes such as income, marital status, and age are not the most reliable attributes for modeling consumer behaviors. A more effe

This book constitutes the refereed proceedings of the First IFIP TC 14 Joint International Conference on Entertainment Computing and Serious Games, ICEC-JCSG 2019, held in Arequipa, Peru, in November 2019. The 26 full papers, 5 short papers, and 16 poster, demonstration, and workshop papers presented were carefully reviewed and selected from 88 submissions. They cover a large range of topics at the multidisciplinary intersection of design, art, entertainment, interaction, computing, psychology, and numerous serious application domains. The papers are organized in the following topical sections: mixed reality; virtual reality; entertainment algorithms; game design and development; interaction technologies; measurement and effects; and serious game applications.

Entertainment spending is soaring worldwide, driven by new technologies, new platforms, new business models, and unrelenting demand amongst seven billion consumers. That means entertainment marketing opportunities are soaring, too. But this business is more complex and competitive than ever—and it ' s changing at breakneck speed. Now, two leading practitioners show how to transform content into profits today and tomorrow...in The Definitive Guide to Entertainment Marketing . . . Marketing Metrics: The Definitive Guide to Measuring Marketing Performance, Second Edition , is the definitive guide to today ' s most valuable marketing metrics. In this thoroughly updated and significantly expanded book, four leading marketing researchers show exactly how to choose the right metrics for every challenge and expand their treatment of social marketing, web metrics, and brand equity. They also give readers new systems for organizing marketing metrics into models and dashboards that translate numbers into management insight.
