What would be unreasonable is then to email the finished 10MB file to your list of 2000 supporters. Instead, you could create a lower-resolution or even text-only version of the PDF, put that on your website, and email a link to the file, perhaps with a little indicator of the file size (like "[1.2 MB PDF]") next to the download link.

Understanding file sizes | GreenNet

A file size is the measure of space a file takes up on a storage medium, such as a computer hard drive. File sizes can be measured in bytes (B), kilobytes (KB), megabytes (MB), gigabytes (GB), terabytes (TB), and beyond. In the picture below of files listed in Windows Explorer, the size column is sorted to show the largest file first. As shown, the first file, named "family-safety.jpg," has a ...

"Five Weeks to Winning Bridge" is the book most frequently recommended and most often read by beginning bridge players. It is divided into 35 chapters, one for each day of the week over a seven week period. Each chapter is about 15 pages long, enough for a new player to read and absorb in a day. Thus, at the end of 35 days or 5 weeks, the reader should be a competent bridge player. This book describes the Standard American bidding system. Although still the most widely known system, there have been a proliferation of bidding systems. The reader should be prepared to play under other systems. The reader should be aware that this book primarily describes Rubber Bridge play. Nowadays, most bridge play is duplicate. In spite of these developments, this book remains the one more players start off with than any other book. Thus, it should be required reading for all bridge players. It offers the clearest and most easy-to-read description of bridge.
