The Spacemaker microwave by GE is a kitchen microwave that is designed to be compact and unobtrusive. Its convenient size allows it to be placed in space-limited areas, such as on a countertop, as long as they are located near wall outlets, making it a very useful kitchen tool. From time to time, however, the microwave display may become stuck, the buttons may not respond or the microwave clock may begin malfunctioning.

This compact book contains the best buying advice from "Consumer Reports" along with expert strategies for finding many products at the best prices. Includes advice for shopping online, by mail order, or in stores; lab test results; and a preview of the 2001 model-year vehicles.

Gives advice on selecting appliances and AV equipment

In today's marketplace, there are an array of products that can be purchased and several ways to buy them. Consumers today are faced with numerous choices when deciding on which products to purchase. The choice ultimately comes down to the consumers specific wants and needs. "Is this the right product for me? Will I get my money's worth in this product? Which brand is the best for me?" What it all comes down to is... Are consumers doing their homework to determine the best value out there that will fulfill their wants and needs? Consumer Reports Buying Guide 2007 is an ideal resource for consumers. It's a one-stop source for making intelligent, money saving purchases for all home buying needs. This compact reference guide contains over 900 brand-name ratings along with invaluable information on what products are available, important features, latest trends and expert advice for: -Home office equipment -Digital cameras and camcorders -Home entertainment -Cellular Phones -Home and yard tools -Kitchen appliances -Vacuum cleaners and washing machines -Reviews of 2007 cars , minivans, pickups and SUV's -And so much more! From refrigerators to home theater systems, Consumer Reports Buying Guide 2007 prepares consumers with pertinent information in selecting a suitable product for their needs. Using this guide will ultimately pay off in valuable product knowledge, time saved, and perhaps paying a lower price.

Rates consumer products from stereotypes to food processors

At Dwell, we're staging a minor revolution. We think that it's possible to live in a house or apartment by a bold modern architect, to own furniture and products that are exceptionally well designed, and still be a regular human being. We think that good design is an integral part of real life. And that real life has been conspicuous by its absence in most design and architecture magazines.
