A manual of the securities, traffic statistics, earnings, officers, directors, and equipment of street and interurban railways of the United States, Canada, Cuba and West Indies.

"With an appendix containing a full analysis of the debts of the United States, the several states, municipalities etc. Also statements of street railway and traction companies, industrial corporations, etc." (statement omitted on later vols.).

When new parents decide they want to create a special room for their new family member, the popular Ideas for Great series is there to help them with this new edition. Ideas for Great Baby Rooms contains everything parents need to set up a cozy, playful, practical, yet safe, space for their baby. Dozens of beautiful photographs adorn the pages of this volume, providing inspiration for a number of different nursery themes. Along with these photos, the book includes a Shopper's Guide which provides valuable purchasing information on everything parents will need to stock the room, from cribs and changing tables to wallpaper and lighting.
