Don't want to be me anymore!! | Mental Health Forum

I don't want to be any more. I'm so tired and I'm sick of being such a useless waste of skin. I've been on and off antidepressants for years and I hate what they do to me but I know that's the only "help" I'd get were I to see a doctor. I spent a lot of time as an inpatient in my teenage years and I don't feel like I'm salvageable.

I don't want to be any more. | Mumsnet

(Picture: Ella Byworth for Metro.co.uk) 'I don't want to live anymore but I'm scared to die' is one of the most-searched mental illness confessions on Google.

What it's like to not want to live anymore but be too ...

When You Don't Know What You Want Anymore ... So when I help people find and follow their passion, even when they don't know what they want, I discover that the spark never went out. It simply got obscured by their thinking. I'm not going to tell you to make a radical change in your life. I'm going to tell you to take the tiniest step ...

I don't want to live anymore it's so exhausting. I hate school, I hate writing exams I study so hard but I'm never good enough anyways in the end. This year I'll be finally finishing school but I don't even have any realistic goals for my life.

I don't want to do this anymore : SuicideWatch

DH and I have decided our family is complete and we don't want any more kids. DH went to the docs today and asked about having the snip. Doctor told DH that 1 in 20 men experience a lifelong pain in the scrotum area after having the snip and that it would be easier for me to have the coil/injection/implant fitted.

I don't want any more children - options? | Mumsnet

Sometimes we just don't want to do it any more, and that is the truth. Christin Registered User. Jun 29, 2009 5,038 Somerset. Nov 17, 2010 #2 Dear SM, I just want to send you a hug. You are a caring person, but you are tired and you need a break from it all. I do understand, I wish sometimes I didn't have to do all this.

I don't want any more of this. | Dementia Talking Point

I don't want to live Anymore. I have hopes and dreams but I'm starting to think that they won't work out, I don't have a lot of friends I have trouble making friends and I feel like nobody likes me. Nobody cares if I'm around or not I don't feel like I'm important to anyone except my parents and like two of my friends but that's it and it's hard to feel worthy of anything

I'm £10,000 in debt and I don't want to be ashamed about ...

I genuinely don't want to live anymore. The title says it all... I really just don't want to be alive anymore. I've struggled with anxiety for many years and depression for the past year. I'm just so tired and fed up with dealing with the stress everyday. I had a suicide attempt this past May followed by months of therapy.

This is my story of years of unaddressed, devastating emotional abuse, why I believed I could not leave the relationship, the elusive hope I continued to hold on to and the resulting psychological damage. The book describes my personal feelings and thoughts captured in my journals and the words of other women with similar experiences. I discuss warning signs and guidelines to help the abused and the abuser before it's too late. Most importantly, I describe how remarkably I was able to recover and how my life eventually changed. There is hope for the emotionally abused woman.

Do you feel all the feels—all the time? Are you fed up with the mainstream spiritual “love and light” scene that calls for constant positivity, even in the face of true loss, trauma, and pain? If so, this book is for you. I Don't Want to Be an Empath Anymore is a gift for the jaded empath searching for authenticity in spirituality, and spirituality in being authentic—something beyond the clichéd, positive affirmations that seem to invalidate our anger, sadness, and pain. When we feel broken—and when real damage has been done, it's not always helpful to ignore our feelings and tell ourselves that we are perfect and whole. In this refreshingly honest guide, shamanic practitioner Ora North offers practical exercises to help you navigate your intuition and empathic sensitivities, create much-needed boundaries, and build confidence. You'll also learn to balance your emotions and energy, and harness the strength of your shadow side to embrace your whole self and live your best life. Like the Japanese craft known as Kintsugi—the art of repairing broken pottery using a lacquer dusted with powdered gold—the process of acknowledging and repairing our fragmented selves can make us even more beautiful than before, cracks and all. In this book, you won't find platitudes or attempts to whitewash your experiences. What you will find are real, practical tools and guidance to help you make the most of your unique abilities.

Jake Colsen, an overworked and disillusioned pastor, happens into a stranger who bears an uncanny resemblance (in manner) to the apostle John. A number of encounters with John as well as a family crisis lead Jake to a new understanding of what his life should be like: one filled with faith bolstered by a steady, close relationship with the God of the universe. Facing his own disappointment with Christianity, Jake must forsake the habits that have made his faith rote and rediscover the love that captured his heart when he first believed. Compelling and intensely personal, SO YOU DON'T WANT TO GO TO CHURCH ANYMORE relates a man's rebirth from performance-based Christianity to a loving friendship with Christ that affects all he does, thinks, and says. As John tells Jake, "There is nothing the Father desires for you more than that you fall squarely in the lap of his love and never move from that place for the rest of your life."

This is a book composed to shed some light on the two worlds that are currently at war within the African American Community. A war that is wage between the highly educated and the less sophisticated African American. Who's right or who's wrong is not the question, for both sides raises valid points in the defense to justify its existence. Instead the question is how can the two come together to ensure a possibility of survival as one. This is a compelling fictional story that takes its reader on a historical journey through the judicial, educational, and political disparities that has played a profound impact in the destruction of the African American family. This story touches upon the importances of family structure no matter whether it's inside or outside of the home by emphazing the dire need of having both parents being actively involved during the crucial early stages of their childrens' development.

This book teaches frustrated, stressed-out parents that selectively ignoring certain behaviors can actually inspire positive changes in their kids. With all the whining, complaining, begging, and negotiating, parenting can seem more like a chore than a pleasure. Dr. Catherine Pearlman, syndicated columnist and one of America's leading parenting experts, has a simple yet revolutionary solution: Ignore It! Dr. Pearlman's four-step process returns the joy to child rearing. Combining highly effective strategies with time-tested approaches, she teaches parents when to selectively look the other way to withdraw reinforcement for undesirable behaviors. Too often we find ourselves bargaining, debating, arguing and pleading with kids. Instead of improved behavior parents are ensuring that the behavior will not only continue but often get worse. When children receive no attention or reward for misbehavior, they realize their ways of acting are ineffective and cease doing it. Using proven strategies supported by research, this book shows parents how to: - Avoid engaging in a power struggle - Stop using attention as a reward for misbehavior - Use effective behavior modification techniques to diminish and often eliminate problem behaviors Overflowing with wisdom, tips, scenarios, frequently asked questions, and a lot of encouragement, Ignore It! is the parenting program that promises to return bliss to the lives of exasperated parents.

Wickedly ingenious and surreal ideas for all the little fluffy rabbits in this world who just don't want to live anymore, with bonus material from Andy Riley's sketchbook.

A suspenseful romantic action-packed thriller. A gorgeous young lady turned Most Wanted. A romantic trip and a love to die for. A hidden secret. An evil brutal regime practicing a cult they believe existed even before God created the world. Until the regime is stopped life is on the line. A must read. ABOUT THE SERIES EVELINA A secret cult that existed even before this world was created is still at the center of murder a thousand years later. A ruthless regime is using this cult to run rampage and havoc. A corrupt and evil world where murder is the norm. A place so dark and scary where they all come out in numbers where they are slaughtered in thousands. A place where they are naked:-no rights, hopes, or anything to hang on to. A place where the only hope and courage is the heart-engraved-belief that someone will solve God's Dilemma and rise to save humanity. A pledge to fight to the death because the sole existence of the regime is to restore the lost kingdom of darkness at humanity's expense. Where restoring it means slaughtering two-thirds of the world's population in 48 hours known as the 48 Hours of Darkness. It's a story of great courage in the face of death. The rise of Tomorrow's World Order citing the system as the root of all evil setting a collision course with the regime. The suspenseful questions are when and of what magnitude will the collision be and the devastating outcome? Will the regime allow a system change? Where stakes are high and the regime will defend the system at any cost will they succeed and at what cost? How can mankind survive the most feared devil's ghosts? Are you to be the lucky few to be spared in the 48 hours of darkness? Is mankind doomed or there is hope? What is God's Dilemma and can it really be solved? Unless God's Dilemma is solved mankind is doomed. A race against time where it's a matter of life or death for the strongest men let alone for Evelina caught up in all this. Will she survive the greatest manhunt since the world was created with everyone after her with the most powerful man demanding her too? Only one way to find out. Get this book right now.

This Christmas join the De La Fuentes and McKenzies in Blossom Creek as they celebrate the grand opening of Emelia's Restaurant. Over twenty years after Levi De La Fuente's parents opened the first Emelia's, Levi and his cousin Ryan are getting ready to open a second location. Emma De La Fuente manages the first Emelia's in Essex, Vermont for her parents. She's in town to assist her brother and cousin in getting the new restaurant ready for its grand opening. However, she didn't plan on the strong attraction she feels toward the town Sheriff. The man with his sweet words and heated looks has managed to derail her plans on returning home. While his sister is distracted, Levi finds himself in need of rescuing from a rather embarrassing situation. Luckily for him, Vivien Taylor, owner of Temptations, Blossom Creek's handmade chocolate store, appears just at the right time. If only he didn't crave the sweet woman, then maybe, this situation wouldn't be so awkward. Blossom Creek just might be warm enough to melt the snow this holiday season.

"Honest and moving . . . Her painful tale is engrossing."—Washington Post Book World For most of us, it was just another horrible headline. But for Deborah Spungen, the mother of Nancy, who was stabbed to death at the Chelsea Hotel, it was both a relief and a tragedy. Here is the incredible story of an infant who never stopped screaming, a toddler who attacked people, a teenager addicted to drugs, violence, and easy sex, a daughter completely out of control—who almost destroyed her parents' marriage and the happiness of the rest of her family.
