The International Baccalaureate® (IB) Diploma Programme (DP) is for students aged 16-19. Find out more about the Diploma Programme (DP), including information on pathways to university and employment and on who can offer the programme.

Diploma Programme (DP) - International Baccalaureate®

The International Baccalaureate Diploma Programme (IBDP) is a two-year educational programme primarily aimed at 16-to-19-year-olds in 140 countries around the world. The programme provides an internationally accepted qualification for entry into higher education and is recognized by many universities worldwide.

The International Baccalaureate® (IB) assesses student work as direct evidence of achievement against the stated goals of the Diploma Programme (DP) courses. DP assessment procedures measure the extent to which students have mastered advanced academic skills in fulfilling these goals, for example:

Assessment & exams - International Baccalaureate®

The International Baccalaureate® (IB) offers a continuum of international education. The programmes encourage both personal and academic achievement, challenging students to excel in their studies and in their personal development. In order to teach IB programmes, schools must be authorized.

Education programmes - International Baccalaureate®

The International Baccalaureate® (IB) Diploma Programme (DP) curriculum sets out the requirements for study of the DP. The curriculum is made up of the DP core and six subject groups. Made up of the three required components, the DP core aims to broaden students' educational experience and challenge them to apply their knowledge and skills.

DP curriculum - International Baccalaureate®
