This 2-disc CD album features Bach's solo violin sonatas and partitas which were transcribed and played by classical guitarist Francesco Teopini. In my opinion, the guitar makes these works more accessible than when played on the violin. (Now, I do love violin.) The guitar playing is impressive, and the recorded sound is clear and full.

The 6 Sonatas and Partitas enjoy an iconic status: in few other works Bach achieved so much with such restricted means: less is more. The emotional range of these works is astonishing: from the carefree joy of the stylised dances to the human tragedy and redemption in the famous Chaconne.

J. S. Bach. The music lesson, with virginal and viola da gamba, Jan Vermeer. Solo. Viola da gamba. Obbligato. Harpsichord. The sonatas for viola da gamba and harpsichord, BWV 1027–1029, are three sonatas composed by Johann Sebastian Bach for viola da gamba and harpsichord .

*Sonatas for viola da gamba and harpsichord (Bach) - Wikipedia*

Bach's sonatas for violin and obbligato harpsichord were composed in trio sonata form, i.e. three independent parts consisting of two equally matched upper voices above a bass line. Instead of playing the role of a continuo instrument, filling in the harmonies of a figured bass, the harpsichord took one of the upper melodic lines on equal terms with the violin, whilst also providing the bass ...

*Sei Solo - J S Bach: The Sonatas & Partitas For Violin ...*

Sonatas and Partitas for Solo Violin, six compositions by Johann Sebastian Bach that date from the early 18th century. They are unusual in being totally solo with no accompaniment of any kind; the most famous movement from the Bach sonatas and partitas is the Chaconne that concludes the Partita No. 2 in D Minor, BWV 1004.

Known around the world for his advocacy of early historical performance and as a skilled violin performer and pedagogue, Stanley Ritchie has developed a technical guide to the interpretation and performance of J. S. Bach's enigmatic sonatas and partitas for solo violin. Unlike typical Baroque compositions, Bach's six solos are uniquely free of accompaniment. To add depth and texture to the pieces, Bach incorporated various techniques to bring out a multitude of voices from four strings and one bow, including arpeggios across strings, multiple stopping, opposing tonal ranges, and deft bowing. Published in 1802, over 80 years after its completion in 1720, Bach's manuscript is without expression marks, leaving the performer to freely interpret the dynamics, fingering, bowings, and articulations. Marshaling a lifetime of experience, Stanley Ritchie provides violinists with deep insights into the interpretation and technicalities at the heart of these challenging pieces.

J.S. Bach's sonatas and partitas for solo violin have been central to the violin repertoire since the mid-18th century. This engaging introduction to these works is the first comprehensive exploration of their place within Bach's music, focusing on their structural and stylistic features as they have been perceived since their creation. Combining an analytical study, a historical guide, and an insightful introduction to Bach's style, this book will help violinists, scholars, and other listeners develop a deeper personal involvement with many aspects of these wonderful pieces.

Classical guitarists—both students and professional performers—require the same high-quality editions that their pianist colleagues have come to expect from Alfred Music. Our Classical Guitar Masterworks Editions continue the Alfred Music tradition of providing carefully edited, beautifully presented music for practice and performance. This edition of J. S. Bach's masterpieces for solo violin, artfully transcribed for classical guitar by renowned performer, recording artist, and pedagogue Nicholas Goluses, is an essential addition to any classical guitarist's library. Including a thoughtful, scholarly preface on the art of transcribing Bach for the guitar, drawn from Goluses' doctoral dissertation, studying this edition will be edifying for any serious classical guitarist. Goluses' approach to putting these pieces on the guitar, and his thoughtful fingerings, will help overcome the complexites of playing this important and challenging music.

Reprinted from the renowned Bach-Gesellschaft edition, this work features the complete Sonatas and Partitas for Unaccompanied Violin and the six Sonatas for Violin and Clavier. The music has been reproduced in a size large enough to read easily, with large noteheads, wide margins for notes, and lay-flat pages.

Dr. Lawrence Golan's edition of Bach's masterpieces for solo violin combines the authenticity and accuracy of a Scholarly Urtext Edition with the practicality and helpfulness of a Performing Edition. A facsimile of Bach's autograph manuscript was used in the preparation of this edition and the composer's intentions have been preserved to the last detail. of particular note is the fact that all stems have been beamed together as they appear in the autograph manuscript. This is of great importance when making interpretive decisions regarding dotted rhythms. Helpful fingering and bowing suggestions are provided by the editor, but are clearly distinguished from Bach's original notation, allowing the performer the freedom to accept or reject any given suggestion. The volume comes complete with Dr. Golan's essay Performing Bach: Dotted Rhythms and Trills in the Sonatas and Partitas for Solo Violin, which also includes scholarly discussions of vibrato, fingerings, bowing styles, and ritardandos in Baroque music. the inclusion of this comprehensive study of Baroque performance practices makes this edition a must for any violinist interested in performing the Bach Sonatas and Partitas in an historically informed manner.

A Piano Duet for 1 Piano, 4 Hands, composed by Johann Christian Bach.
