In the six months since Anthony, Lucy, and George survived a night in the most haunted house in England, Lockwood & Co. hasn't made much progress. Quill Kipps and his team of Fittes agents keep swooping in on Lockwood's investigations. Finally, in a fit of anger, Anthony challenges his rival to a contest: the next time the two agencies compete on a job, the losing side will have to admit defeat in the Times newspaper. Things look up when a new client, Mr. Saunders, hires Lockwood & Co. to be present at the excavation of Edmund Bickerstaff, a Victorian doctor who reportedly tried to communicate with the dead. Saunders needs the coffin sealed with silver to prevent any supernatural trouble. All goes well-until George's curiosity attracts a horrible phantom. Back home at Portland Row, Lockwood accuses George of making too many careless mistakes. Lucy is distracted by urgent whispers coming from the skull in the ghost jar. Then the team is summoned to DEPRAC headquarters. Kipps is there too, much to Lockwood's annoyance. Bickerstaff's coffin was raided and a strange glass object buried with the corpse has vanished. Inspector Barnes believes the relic to be highly dangerous, and he wants it found. The author of the blockbuster Bartimaeus series delivers another amusing, chilling, and ingeniously plotted entry in the critically acclaimed Lockwood & Co. series. Praise for The Screaming Staircase "This story will keep you reading late into the night, but you'll want to leave the lights on. Stroud is a genius at inventing an utterly believable world which is very much like ours, but so creepily different. Put The Screaming Staircase on your 'need to read' list!" -Rick Riordan "A pleasure from tip to tail, this is the book you hand the advanced readers that claim they'd rather read Paradise Lost than Harry Potter. Smart as a whip, funny, witty, and honestly frightening at times, Stroud lets loose and gives readers exactly what they want. Ghosts, kids on their own without adult supervision, and loads of delicious cookies." -Elizabeth Bird, School Library Journal "Stroud shows his customary flair for blending deadpan humor with thrilling action, and the fiery interplay among the three agents of Lockwood & Co. invigorates the story (along with no shortage of creepy moments)." -Publishers Weekly Praise for The Whispering Skull "An occult portal and its spectral guardian nearly cut short the careers of three rising young ghost hunters in this madcap sequel to The Screaming Staircase (2013). For all their internecine squabbling, the three protagonists make a redoubtable team-and their supporting cast, led by the sneering titular skull in a jar, adds color and complications aplenty. Rousing adventures for young tomb robbers and delvers into realms better left to the dead." -Kirkus Reviews (starred review) "Stroud writes with a fine ear for dialog, a wry sense of humor, and a knack for describing haunted places. Creating tension that ebbs and flows, he slowly builds the dramatic narrative to a resounding crescendo, and he makes the quieter scenes that follow just as compelling." -Booklist (starred review)

"Stroud is a genius' Rick Riordan, author of the Percy Jackson series. Ghosts and ghouls beware! London's smallest, shabbiest and most talented psychic detection agency is back. Life is never exactly peaceful for Lockwood & Co. Lucy and George are trying to solve the mystery of the talking skull trapped in their ghost jar, while Lockwood is desperate for an exciting new case. Things seem to be looking up when the team is called to Kensal Green Cemetery to investigate the grave of a sinister Victorian doctor. Strange apparitions have been seen there, and the site must be made safe. As usual, Lockwood is confident; as usual, everything goes wrong a terrible phantom is unleashed, and a dangerous object is stolen from the coffin. Lockwood & Co must recover the relic before its power is unleashed, but it's a race against time. Their obnoxious rivals from the Fittes agency are also on the hunt. And if that's not bad enough, the skull in the ghost-jar is stirring again The author of the blockbuster BARTIMAEUS sequence delivers another humorous and chilling instalment in the critically acclaimed LOCKWOOD & CO. series."

A sinister Problem has occurred in London: all nature of ghosts, haunts, spirits, and specters are appearing throughout the city, and they aren't exactly friendly. Only young people have the psychic abilities required to see—and eradicate—these supernatural foes. Many different Psychic Detection Agencies have cropped up to handle the dangerous work, and they are in fierce competition for business. In *The Screaming Staircase*, the plucky and talented Lucy Carlyle teams up with Anthony Lockwood, the charismatic leader of Lockwood & Co, a small agency that runs independent of any adult supervision. After an assignment leads to both a grisly discovery and a disastrous end, Lucy, Anthony, and their sarcastic colleague, George, are forced to take part in the perilous investigation of Combe Carey Hall, one of the most haunted houses in England. Will Lockwood & Co. survive the Hall's legendary Screaming Staircase and Red Room to see another day? Readers who enjoyed the action, suspense, and humor in Jonathan Stroud's internationally best-selling *Bartimaeus* books will be delighted to find the same ingredients, combined with deliciously creepy scares, in his thrilling and chilling Lockwood & Co. series.

Soon to be a major Netflix series! Want to hear a ghost story? That's good. I know a few . . . After their recent adventures, the Lockwood & Co team deserve a well-earned break . . . so naturally they decide to risk their lives breaking into a heavily-guarded crypt. A building full of unsettled souls, it's also the final resting place of Marissa Fittes, the legendary and (supposedly) long-dead ghost hunter - though the team have their suspicions about just how dead she might be. What they discover changes everything. Pitched into a desperate race to get to the truth behind the country's ghost epidemic, the team ignite a final, epic battle against the Fittes agency. A battle that will force them to journey to the Other Side, and face the most terrifying enemy they have ever known. Can everyone make it out alive? Join Lucy, Lockwood, George and Holly for one last time as they battle ghosts and humans for truth and justice in this breathtaking finale to the bestselling series. Halli loves the old stories from when the valley was a wild and dangerous place - when the twelve legendary heroes stood together to defeat the ancient enemy, the bloodthirsty Trows. Halli longs for adventure but these days the most dangerous thing in the valley is boredom. He tries to liven things up by playing practical jokes. But when one of his jokes goes too far, he reawakens an old blood feud and finds himself on a hero's quest after all. Along the way he meets a ruthless thief, a murderous rival, and a girl who may just be as fearless as he is .
