Select the worksheet in this list box that is affected by the following
options. Transition formula evaluation Opens and evaluates Lotus
1-2-3 files without losing or changing information. When this
option is selected, Excel evaluates text strings as 0 (zero), Boolean
expressions as 0 or 1, and database criteria according to the rules
that are used in Lotus 1-2-3.

Advanced options - Excel

Lotus 1-2-3 was first released in 1983, so its discontinuance this
year marks the end of a thirty-year run. IBM bought Lotus
Corporation in 1995 and still sells Lotus Notes, among other
offerings, but will soon be dropping the Lotus name entirely.

How to change colour options in Lotus 1-2-3 servers? Hi Randolph, I hope what you are asking is font colour if so then the steps to follow to change the font colour are this: select a file then choose

Online Library Lotus 1 2 3 Setting Up Users Guide Datalens Drivers For 1 2 3 Release 2

preferences, then select user preferences. click on basic tab and select default fonts. At this point select your default font colour from the dropdown box, here you can also change your style and or size then click ok when your done.

How to change colour options in Lotus 1-2-3 servers ...

By default, 1-2-3, Release 2.01, uses the Lotus International Character Set (LICS) — the same character set that Release 2.0 always uses [...] you can command Release 2.01 to use the ASCII character set, just as Quattro does. [...] load the install program, and select Advanced Options [...] select TextDisplay [...] choose Universal Text Display — ASCII-No LICS [...]

Please do also take note that 1-2-3 isn't compatible with Windows DEP (Data Execution Prevention) set for all programs, unless you add an exception for 123w.exe, which will prevent most related crashes but not every one. (Double-clicking a chart title will still crash 1-2-3 for me.)

Lotus SmartSuite 9.8 : IBM : Free Download, Borrow, and ...

This happens with all of my 1-2-3 files. I am able to print fine from other software applications. The "print test page" option in the printer setup in Windows works fine. I tried deleting and reinstalling the printer driver. I also tried uninstalling the 1-2-3 software using "Uninstaller" and reinstalling the software.
