Master and Commander: The Far Side of the World - Wikipedia

The title of the film is a conflation of two of the books in the series - book 1 is Master & Commander and 'Far Side of the World' is book 10 - but the film doesn't really carry either of their plots, just concentrates on the chase of this semi-supernatural French ship the Acheron. So much more in the books. Personally I'd have made all 20 books into a 7-season television series. No women! And ...

The final way to gun for Master and Commander is to search the group finder specifically for the bosses you need, rather than invasions. This may take some time, as the summoning items tend to be uncommon, and fewer people do invasions/invasion bosses in the latter part of the expansion. Once again, using the add-on "Server Hop" is a huge help, although you can also manually search groups ...
