How to raise a godly man in a godless world Perhaps there has never

been a more challenging time to raise children than in today's culture. Parents are having to address challenges that their parents never had to with them. And while the core elements to raising children are the same, parents need wisdom for applying them to this day and age. That's what this book is about: navigating the times and raising a generation of men on godly principles—sons who are ready, able, and motivated to represent God during their days of sojourning on this earth. Pastor and author Mike Fabarez will help parents pass the faith on to their sons, in prayer that the promises of God extend to the third and fourth generations... and beyond. Parents will be equipped to:

- Envision their son's future every day
- Set his spiritual trajectory
- Build a home that grows godly men
- Address the rebellion in their son's heart
- Prepare him to face the world and contribute to it
- Help their son toward a right view of play and leisure
- Navigate the teenage years

There is an epidemic of grown men with the maturity of young boys. Be a parent who saves your child from prolonged adolescence. Scripture says, "The father of the righteous will greatly rejoice; he who fathers a wise son will be glad in him" (Prov. 23:24). Children are a gift from the Lord. Read *Raising Men, Not Boys* to steward the gift of parenting and shepherd your sons to be men of God.

Coming alongside struggling children can feel like an uphill battle. Yet children struggle with the same desires adults struggle with, are lured by the same lies adults fall prey to, and can find hope in the same source adults can find hope—in Jesus. This manual helps counselors share Christ—the way, the truth, and the life—while tailoring interactions and teachings to the understanding of children. Articles are written by a wide range of biblical counselors, authors, and pastors who have worked with children for many years including Amy Baker, Julie Lowe, Marty Machowski, Jessica Thompson, Jonathan Holmes, Michael R. Emlet, Garrett Higbee, Edward T. Welch, Kevin Carson, Harvest USA, Charles Hodges, Joni and Friends, Bob Kellemen, and Pam Bauer. Caring for the Souls of Children equips counselors, parents, pastors, and other helpers who love children, to boldly trust in the sufficiency of Scripture for counseling. Edited by counselor and author Amy Baker, this in-depth resource begins with an overview of foundational principles for counseling children and addresses a different counseling topic in each subsequent chapter. Topics

addressed include a wide variety of general and specific issues that children face including anxiety, anger, abuse, suicidal thoughts and actions, self-harm, shame, grief, disability, disease, sexual identity, and many others.

Life is a journey and success takes some work! Dr. I.V. Hilliard, seen nationwide on the Changing Lives Through Faith television broadcast, helps men begin an amazing scriptural journey of worth, faith, and success starting with their commitments.

What makes a man masculine? A woman feminine? Did God design the two genders so differently? If so, why? The answers to these questions will free women and men to gladly embrace all that it means to be fully alive as gendered bearers of God's image who can profoundly impact others for good by the way they relate. Author and psychologist Dr. Larry Crabb presents a biblically grounded understanding of gender uniqueness. His illustration of a bridge of connection shows how the two genders can relationally come together in God-revealing harmony as they celebrate their God-designed uniqueness. Readers will discover that God created male and female to relate in gender-specific ways to make a difference in others by displaying God's relational character. Crabb clearly shows men and women what it means to live fully alive as
