by Rae Carson, and Shadow and Bone by Leigh Bardugo. Princess Wilhelmina is ready for her crown, but declaring herself queen means war. Her magic is uncontrollable and now there ' s a living boy made of wraith—destructive and deadly, and willing to do anything for her. Caught between what she wants and what is right, Wilhelmina realizes the throne might not even matter. Everyone thought the wraith was years off, but already it ' s destroying Indigo Kingdom villages. Princess Wilhelmina ' s ability might be just the thing to help reclaim her kingdom—or ruin it forever.

to their enemies? Did her own parents lie to her? Will she lose control of her power and hurt the ones she loves? The only way to find the truth is to go home again, to face the people who betrayed her and the parents she 's not sure she can trust. Home, where she must learn to rise above her fears. Or be consumed.

The city of Skyvale is in trouble. Magic use is rampant. Crime is spreading. Told from the perspective of Tobiah, the crown prince with a dangerous secret, and set two years before the heart-racing action of *The Orphan Queen*, this 100-page digital novella brings to life one of Jodi Meadows's most beloved characters. Tobiah Pierce knows he is a spoiled, sheltered prince, and he's tired of it. His only chance for

freedom is if his cousin, James Rayner, passes the trials to be one of his bodyguards. But when Tobiah takes a rare opportunity to escape a courtly celebration and he witnesses a horrible—and magical—crime, he must make a momentous decision: return to the ignorance and comfort of the palace, or risk everything to discover the truth? The Hidden Prince is the first of four prequel novellas that offer existing fans a deeper insight into a favorite character and the complex city of Skyvale, while new readers will find a stunning introduction to this rich world and the heart-pounding fantasy of the Orphan Queen series. Epic Reads Impulse is a digital imprint with new releases each month.

In recent years, spectacular images of ruined boats,

makeshift border camps, and beaches littered with life vests have done much to consolidate the politics of movement in Europe. Indeed, the mediation of migration as a crisis has worked to shore up various forms of militarized surveillance, humanitarian response, legislative action, and affective investment. Bridging academic inquiry and artistic and activist practice, the essays, documents, and artworks gathered in *Moving Images* interrogate the mediation of migration and refugeeism in the contemporary European conjuncture, asking how images, discourses, and data are involved in shaping the visions and experience of migration in increasingly global contexts.

million souls have been reincarnated over and over, keeping their memories and experiences from previous lifetimes. When Ana was born, another soul vanished, and no one knows why. No soul Even Ana ' s own mother thinks she ' s a nosoul, an omen of worse things to come, and has kept her away from society. To escape her seclusion and learn whether she ' ll be reincarnated, Ana travels to the city of Heart, but its citizens are afraid of what her presence means. When dragons and sylph attack the city, is Ana to blame? Heart Sam believes Ana ' s new soul is good and worthwhile. When he stands up for her, their relationship blooms. But can he love someone who may live only once, and will Ana ' s enemies—human and creature alike—let them be together? Ana needs to uncover the mistake that
