This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

This book came into being about two o'clock in the morning on the day after the 2004 presidential election. It arose out of the stunned realization that the historic tradition of progressive Christian thought and action had virtually disappeared from our public discourse.Progressive Christianity, writes theology professor Delwin Brown, is a family of perspectives that is united in opposing right-wing religion but also desires to go beyond "liberal" and "conservative" labels.Kindle edition available

This Teachers ' Guide to Wilfred McClay ' s Land of Hope: An Invitation to the Great American Story will be an invaluable aid to classroom teachers who use Land of Hope as a textbook for courses in United States history. McClay has coauthored the Guide with John McBride, a master teacher with over thirty years of secondary and collegiate teaching experience. The result is an exceptionally rich and useful resource for the enhancement of the classroom experience. Each chapter of Land of Hope has a five-part treatment: a short summation of the chapter ' s contents, a lengthy set of questions and answers about the text of the chapter, materials that can be deployed in testing or used to sharpen classroom discussion; a set of short objective tests, suitable for quizzes and exams; a primary-source document for class study and analysis; and questions and answers to accompany the document. In addition, there are special units to assist teachers in the giving special coverage to the Declaration of Independence, the Constitution, the Bill of Rights, and the Origins of the Two-Party System. Like Land of Hope itself, these materials are designed to help students come away from the study of the American past with a coherent sense of the larger story, and a sense of history as a profoundly reflective activity, one that goes to the depth of our humanity.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work.As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

For several decades conservatives set the political agenda in the United States, allowing them to focus the conversation on topics such as tax cuts, national security, and social issues. It is increasingly becoming apparent, however, that this has begun to change. Factors such as the election of the first African-American President and the increasing diversity of the population, the dramatic rise of income inequality, and the social liberalism of younger Americans indicate that progressive political ideas are more influential today than at any point in four decades. This book is the first to offer a comprehensive overview of progressive politics, combining historical analysis, a discussion of policy priorities today, and a survey of the challenges ahead. Featuring essays by leading scholars, analysts, and commentators, it is an indispensable guide to the ideas and debates that will shape American politics in the coming years. With contributions from Joseph Stiglitz, E.J. Dionne, Jonathan Alter, Jacob Hacker, and Rosa Brooks
