Riding The Rails Worksheets & Teaching Resources | Tpt

The rule of thumb is to only hop a train if you can clearly make out each bolt on its spinning wheels. If it's too blurry - from speed or inebriation - catch the next one. Most modern train cars are sealed up anyway, so hobos nowadays tend to ride on the "porches" or spaces between containers, as Connecticut Shorty did.

Offers a personal account of the author's adventures riding the rails with America's hoboes and presents a factual glimpse into the world of the modern-day hobo

"There is no feeling in the world like sitting in a side-door Pullman and watching the world go by, listening to the clickety-clack of the wheels, hearing that old steam whistle blowing for crossings and towns." -George Phillips in Riding the Rails At the height of the Great Depression, 250,000 teenage hoboes were riding the rails and roaming America. Some left home out of desperation and went looking for work and a better life, sometimes traveling hundreds of miles on the rumor of a job waiting farther down the line. Others left out of boredom; still others with a wanderlust and romantic idea of life on the road. The restless youth of these boxcar boys and girls, many who went from "middle-class gentility to scrabble-ass poor" overnight, is recaptured in Riding the Rails. Based on the award-winning documentary, this book dispels the myths of a hobo existence and reveals the hard stories of a daring generation of American teenagers-forgotten heroes-who survived some of the hardest times in our nations' history. Whether you're a "gaycat" (novice rider) or a "dingbat" (seasoned hobo), Riding the Rails is entertaining and inspiring, recapturing a time when the country was "dying by inches."

During the Great Depression, more than 250,000 children left their homes and hopped on freight trains crisscrossing the country. They were looking for work and adventure; some wanted to leave their homes, and some had to. Riding the Rails gives us the stories of their travels in their own words and tells us what happened to them in the years since.

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

Cora is a slave on a cotton plantation in Georgia. When Caesar, a recent arrival from Virginia, tells her about the Underground Railroad, they decide to take a terrifying risk and escape. Though they manage to find a station and head north, they are being hunted. Their first stop is South Carolina, in a city that initially seems like a haven. But the city's placid surface masks an insidious scheme designed for its black denizens. And even worse: Ridgeway, the relentless slave catcher, is close on their heels.

In 1932, Akron, Ohio was no better off than other parts of the country. Since Black Tuesday in '29, companies are closed, men all over the state are out of work, and families are running out of hope. Thirteen-year-old Rudy wants to help but doesn't know where to turn. His father, sullen and withdrawn, spends his time sulking on their front porch. His mother is desperate, not knowing how she will feed and care for her family. When Rudy learns of other boys leaving town and heading west to seek their fortunes, he hops a train figuring at least there will be one less mouth to feed at home. As Rudy lives the hobo life while he "rides the rails" to California, young readers are given a snapshot view and testament of Depression-era America.Writer Dandi Daley Mackall met the real "Ramblin' Rudy" in 2000 and was inspired to capture his story and the spirit of adventure shown by many during the Great Depression. She conducts writing workshops across the United States and speaks at numerous conferences. Dandi lives in West Salem, Ohio. Rudy Rides the Rails is Chris Ellison's second book with Sleeping Bear Press. He also illustrated Let Them Play, which was named to the 2006 Notable Social Studies Trade Books for Young People list. Chris is presently working on another Tales of Young Americans story about the Oklahoma Land Run. He lives in Hattiesburg, Mississippi.

A Study Guide for Al Purdy's "Lament for the Dorsets," excerpted from Gale's acclaimed Poetry for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Poetry for Students for all of your research needs.

The author's description of his adventures riding the rails in the United States accompanies photographs of and comments by freight riders who have made it their way of life

INSTANT NEW YORK TIMES BESTSELLER! "If you liked Where the Crawdads Sing, you'll love This Tender Land...This story is as big-hearted as they come." -Parade The unforgettable story of four orphans who travel the Mississippi River on a life-changing odyssey during the Great Depression. In the summer of 1932, on the banks of Minnesota's Gilead River, Odie O'Banion is an orphan confined to the Lincoln Indian Training School, a pitiless place where his lively nature earns him the superintendent's wrath. Forced to flee after committing a terrible crime, he and his brother, Albert, their best friend, Mose, and a brokenhearted little girl named Emmy steal away in a canoe, heading for the mighty Mississippi and a place to call their own. Over the course of one summer, these four orphans journey into the unknown and cross paths with others who are adrift, from struggling farmers and traveling faith healers to displaced families and lost souls of all kinds. With the feel of a modern classic, This Tender Land is an enthralling, big-hearted epic that shows how the magnificent American landscape connects us all, haunts our dreams, and makes us whole.
