Description

When stress abounds, soothe your anxious heart with peace and praise. From constant waves of negative news to meeting family, career, and community needs, women today often feel more anxious than ever. Amidst the clamor of the world and the internal longings for peace, our overwhelming need is for more of God's extraordinary presence, peace, and power in our lives. Join Becky Harling for a 6-week study that looks to Psalm 94:19: "When anxiety was great within me, your consolation brought me joy!" The Extraordinary Power of Praise will help you put into practice the two-step process for soothing an anxious heart: finding joy to replace anxiety and learning to pour out our hearts to God in praise. Each day includes a study of a Psalm, thought provoking questions, and short morning and evening prayers. You'll also find suggested praise songs and prayer journaling prompts to help you engage more deeply with God. As you meditate on the Psalms throughout this 6-week study, you'll experience the genuine joy of God's presence, develop a positive outlook in the midst of the world's stress, and find victory over fear and anxiety. The Extraordinary Power of Praise is suited for both individual and group use. For more of Becky's engaging, empathetic Bible teaching, go deeper into this study with the companion video series, available on DVD or for download. You can also find more peace through the Psalms with Becky's latest daily devotional Psalms for the Anxious Heart.

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

Good parenting depends on good communication. The problem is, we parents tend to over-talk. Not only is this ineffective, it discourages children from sharing what's on their hearts. In this immensely practical book, communications expert Becky Harling shares the best listening practices to transform your family's relationships and set your children up for success, including how to · help them express their feelings in healthy ways · listen to affirm their strengths · model how to navigate conflict with grace · listen to God, knowing that he "bends down to listen" to us (Psalm 116:2 nt) Whether your son or daughter is in preschool, grade school, or high school, intentional listening will help them feel heard, valued, and empowered to find their unique voice. The practices you put into place now will set a foundation for strong relationships into adulthood.

Focuses on Stephen, the first Christian martyr, offering a picture of violence, solidarity, and resistance among Jews and early Christians.

In Antioch, Stephen's best friend is crucified for defacing its patron goddess, and the city turns on Jews. He flees to Cyrene. There he meets Simon. Persecution against Jews is worse here. They try to keep Stephen out of the market, university and local Olympic games. He decides the only solution is to pass himself off as a Gentile and start a secret synagogue with secret worship. When discovered, Stephen suffers at the hands of both pagan Gentiles and Jews. Simon cannot handle the persecution any longer, so moves from Cyrene to Jerusalem. When Stephen visits Jerusalem for Passover, he sees Simon carrying the cross of Jesus. They both become Christians and the persecution starts all over again. Stephen decides to move permanently to Jerusalem. Saul goes after them both. They rush to save each other's lives. As Stephen takes his final steps toward the stoning pit, he can still hear his father in years past. "Take another step, Son. Now another. Hold your head high. Don't let them see weakness. You're doing fine. Now another step. I'm here, Son. I will never leave you. You're almost home." ===== This is a wonderful book to show how family and friends stick together when things go wrong until they are righted.
