Growing up in a tranquil wilderness, Teal Swan had a childhood that

was anything but serene.

Horrors lurked behind the façade of the perfect houses and pious

community of the surrounding towns, and Teal attracted undue

attention because of her unusually powerful extrasensory abilities.

At the hands of a local cult member, she barely survived 13 years of horrendous abuse – and even after her escape, she was left powerless, lost, hurting, and with no way to cope.

Gradually, and incredibly, Teal forged her way from the edge of despair to a sliver of light . . .and eventually emerged from the

she shows how you, too,

Their aloneness is a
