The Political Economy of European Integration

Webinar: The Political Economy of the European Union after COVID-19. The coronavirus pandemic has prompted an economic recession of unprecedented depth and uncertain duration, where many member states of the European Union have had to unilaterally act to provide economic relief and regulate public health practices. The European Commission's recovery fund has been approved by European leaders, but the scale of national efforts to respond to the crisis could prompt a reorganization of ...

Webinar: The Political Economy of the European Union after ...

The core business of the European Union is the creation of an integrated European market. The scale of this project is enormous, covering a wide variety of national 'models' of capitalism, many of which are marked by a heavy reliance on non-market institutions to govern and co-ordinate economic activity.
