Book Description A guide for teachers to teaching the media. Hart focuses on television, the press, radio and pop music. Addressing familiar problems which teachers encounter, the book provides examples of practical classroom activities.

Selected from previously published multi-volume work titled: Dr. Babasaheb Ambedkar, writings and speeches.

Contributed articles on the socio-political views of Bhimrao Ramji Ambedkar, 1892-1956, Indian statesman.

Dr. B.R. Ambedkar's influence has overarching impact on the making of Modern India. However, his legacy was sidelined and subjected to institutional neglect. The book is a prism that reflects upon the multitude of contributions of Dr. Babasaheb Ambedkar in the nation building process. Many of his ideas and interventions continue to define our governance

Download Free Understanding Ambedkar 1st Edition

paradigm, especially with PM Narendra Modi at the helm ensuring that his legacy is revived. The book studies the points of intersection of India's development story under Prime Minister Narendra Modi and the ideals of Babasaheb. It also highlights the striking parallels between the two towering personalities that succeeded against all odds and worked to dismantle stifling social structures that they themselves experienced from close quarters.

□What the Communist Manifesto is to the capitalist world, Annihilation of Caste is to India.□
□Anand Teltumbde, author of The Persistence of Caste B.R. Ambedkar's Annihilation of Caste is one of the most important, yet neglected, works of political writing from India. Written in 1936, it is an audacious denunciation of Hinduism and its caste system. Ambedkar □ a figure like W.E.B. Du Bois □ offers a scholarly critique of Hindu scriptures, scriptures that sanction a rigidly hierarchical and iniquitous social system. The world's best-known Hindu, Mahatma Gandhi, responded publicly to the provocation. The hatchet was never buried. Arundhati Roy introduces this extensively annotated edition of Annihilation of Caste in □The Doctor and the Saint,□ examining the persistence of caste in modern India, and how the conflict between Ambedkar and Gandhi continues to resonate. Roy takes us to the beginning of Gandhi's political career in South Africa, where his views on race, caste and imperialism were shaped. She tracks Ambedkar's emergence as a major political figure in the national movement, and shows how his scholarship and intelligence illuminated a political struggle beset by sectarianism and obscurantism. Roy breathes new life into Ambedkar's anti-caste utopia, and says that without a Dalit revolution, India will continue to be hobbled by systemic inequality.

B.R. Ambedkar, the architect of India's constitution, and M.K. Gandhi, the Indian nationalist, two figures whose thought and legacies have most strongly shaped the contours of Indian democracy, are typically considered antagonists who held irreconcilable views on empire, politics, and society. As such, they are rarely studied together. This book reassesses their complex relationship, focusing on their shared commitment to equality and justice, which for them was inseparable from anticolonial struggles for sovereignty. Both men inherited the concept of equality from Western humanism, but their ideas mark a radical turn in humanist conceptions of politics. This study recovers the philosophical foundations of their thought in Indian and Western traditions, religious and secular alike. Attending to moments of difficulty in their conceptions of justice and their languages of nonviolence, it probes the nature of risk that radical democracy's desire for inclusion opens within modern political thought. In excavating Ambedkar and Gandhi's intellectual kinship, *Radical Equality* allows them to shed light on each other, even as it places them within a global constellation of moral and political visions. The story of their struggle against inequality, violence, and empire thus transcends national boundaries and unfolds within a universal history of citizenship and dissent.

This book discusses Ambedkar's engagements with the issues of social justice, economic development and caste enclosures. It highlights his significant contributions in the field of trade, public finance and monetary economics, Indian agriculture, education, among others, and examines their relevance in contemporary India. The volume analyses the basic theoretical conceptions in Ambedkar's writings which attributed a key role to industrialisation, favoured economic planning and progressive labour laws. It reaffirms these theories and illustrates that focus on social and economic democracy promotes productivity, equitable distribution of wealth and an inclusive society. Through an analysis of Ambedkar's interdisciplinary works, the book discusses issues of rural poverty, lagging infrastructure growth, the persistence of an exploitative ruling class and the economic and social marginalisation of the downtrodden which are still relevant today. Further, it offers solutions for a restructuring of the society under democratic principles which would recognise the basic right of all to social dignity, and devise means to insure against social and economic insecurity. Insightful and authoritative, this volume will be of great interest to students and researchers of economics, sociology, development studies and social exclusion.

This book reconstructs the philosophical issues informing the debate between the makers of modern India: Ambedkar and Gandhi. At one level, this debate was about a set of different but interconnected issues: caste and social hierarchies, untouchability, Hinduism, conversion, temple entry, and political separatism. The introduction to this book provides a brief overview of the engagements and conflicts in Gandhi and Ambedkar's central arguments. However, at

Download Free Understanding Ambedkar 1st Edition

another level, this book argues that the debate can be philosophically re-interpreted as raising their differences on the following issues: The nature of the self, The relationship between the individual self and the community, The appropriate relationship between the constitutive encumbrances of the self and a conception of justice, The relationship between memory, tradition, and self-identity. Ambedkar and Gandhi's contrary conceptions of the self, history, itihāsa, community and justice unpack incommensurable world views. These can be properly articulated only as very different answers to questions about the relationship between the present and the past. This book raises these questions and also establishes the link between the Ambedkar--Gandhi debate in the early 20th century and its re-interpretation as it resonates in the imagination and writing of marginalized social groups in the present times.

The Dalit Truth contains a symphony of Dalit voices as they call out to the future. A multitude of Dalit truths and their battles against the lies perpetrated by the caste system are reflected in the pages of this book, pointing towards a future filled with promise and prospects for the coming generations. This eighth volume in the Rethinking India series, published in collaboration with the Samruddha Bharat Foundation, probes the pathway to be followed by the Dalits as articulated by Ambedkar's Constitution. The authors featured in the volume come from various fields and bring narratives of different colours, not just stories of dismay but also of possibilities. The essays offer deeper insights into social, educational, economic and cultural challenges and opportunities faced by the Dalits, the varied strategies of political parties for their mobilization and the choice to be made by the Dalits for attaining social equality. The informed readers of today will find these pages both enlightening and refreshing. The Dalit
