I intend to leave this book my to children and grandchildren. I hope it is received in the same spirit that I give it. I love every one of them with all my heart. They are all precious individuals, and I am very proud of each one. May God bless them. Times have changed. I miss the 1940's when things were simple.

Today kids are smarter than we were. They are on strange electronic games that I do not understand. I suspect they are addictive and perhaps even harmful, depending on content. The temptations today are many times more problematic than when I grew up. These young people are high-tech, intelligent, and far

ahead of me at their age.

They are all very smart and are, or will be, well educated. They show

signs of becoming very successful in this world.

However, my concerns are related to the spiritual side of life and reality. What about life hereafter? Have I

prepared them for the next life? I fear I have failed in that regard and

Online Library

Understanding

I write in order to leave them something about God's word that may take up the slack in things where I have failed. I want to be sure that my kids and grandkids become believing, studious Christians as adults. If there is an afterlife, and I believe there is, it must be of great importance for all so, get ready, I

believe we will all have an afterlife. We, in America, are fortunate in that we have freedom of religion and there are churches on every corner teaching the basic principles of our Lord and Savior. My Dad raised me on the bible and denominational doctrine because that's what he knew. He gave me a

good start but I have discovered that there is much more to learn than denominational

tradition. I believe an open mind is absolutely necessary and denominational training is a closed down system loyal to only one view. I want my children to study God's word.

Unfortunately, many churches and church

people do not study, but accept a particular traditional doctrine that has been handed down to them. I am now in my late seventies. I am not an academic and hold no degrees in theology. One might say I have a degree in hard knocks, experience, big mistakes, and corrections. I hope that my years of study and

faith are enough. After years of doubting, study, research, and prayer I have come to believe that the bible is the most valuable word of wisdom on earth, The Most Treasured of All books on the planet.

Very intelligent men and women have tried to disprove the bible but the more they attack, the better the old book

looks. It is still the world's best seller. I believe we can base our whole life in this world and the life hereafter on the bible. I intend to convince my children and grandchildren of that, and I pray they read what I have left them.

So many of us desire freedom - the freedom

That is promised to us
when we decide to
follow Jesus. The
freedom from the
burden of our sin, the
need to be "good

Even though we are
believers we would be

peace, contentment, and

that God has so
graciously given to us to
be real in our life...

Breaking Pride is an
eBook based on one
simple truth: In order to
walk in God's grace we
need to tear down the
the walls of pride. A lot
of believers, even
though saved by God's
grace, are still walking
in pride rather than

walking in His grace.

Knowing what pride is
and learning to identify

pride in your life is the
first step to overcoming
a life filled with pride.

Pride is rooted in fear
and leads to anger,
jealousy, and envy. Sin
isn't keeping us from
having a relationship
with the Lord, it's our
pride. So many of us
long to have an

relationship with the
Lord, and we long to
have the fruit of the
spirit filled in our heart.
Our desire is to achieve
these fruits through will
power. But we do not
even realize that the
pride that lives within
our heart is what is
blocking the fruit of the
spirit from living within
us. In *Breaking Pride*

you will learn to
identify different areas
of pride in your life.

Filled with
encouragement,
Breaking Pride will take
you through a practical
reading of what pride
may look like in your
life... Let's stop building
walls of pride and start
building the foundation
of grace within our
lives...
