My hero is the Military like the Navy, Army, Air Force, and the Marines. They're my hero because they sacrifice their life for our country and keep our country safe. The United States has one of the best military ever so I know I can count on them. I really like the people who go in the battlefield.

And in August 2004, when my helicopter crashed in Afghanistan and effectively ended my military career, I behaved no more or less heroically than I had over the past 40 combat missions. After hearing my story, many people have felt compelled to label me as a hero simply because I endured a helicopter crash. I politely disagree.

### [A Veteran's Perspective: What Makes a Hero? | HuffPost](#)

Michigan State University Extension has put together a family book sheet on the book “ Mommy, You ' re My Hero ” by Michelle Ferguson-Cohen. This story targets children of service members about to deploy. The book addresses deployment from a child ' s perspective and offers small ways to help families communicate during deployment.

By my late teens, even as I was gearing up for a career in the military, I had already begun to wonder about the common ethos that linked heroism to military service and war. Certainly, military service (especially the life-and-death struggles of combat) provides an occasion for the exercise of heroism, but even then I instinctively knew that ...
